D.O.No.01/GM/OFT/2020

Date: 19/08/2020

Dear Shri Negi Sahab,

I wish to put on record through this D.O. letter, my deep appreciation and gratitude to you and your timely and valuable advices and consistent support by your office which helped in establishing the 12.7 mm SRCG Assembly & Testing Facility at Ordnance Factory, Tiruchirapalli, which was inaugurated by the Honourable Raksha Mantri through Virtual Launch on 10/08/2020. This event is a landmark in the history of Ordnance Factory, Tiruchirapalli.

I take this opportunity to recall that your advice led to savings of Rs.1,00,54,550/- in Stock Review Committee meeting held in last Financial Year. I would also like to record here my sincere thanks in supporting the efforts of OFT to fight against COVID-19 pandemic.

I am once again thankful to you for prompt clearance of all important cases and providing valuable advice on all important and critical matters.

I am specially thankful to your establishment for working even during Lockdown so that payments of IEs wages, Vendors payment etc. are not affected during COVID-19 pandemic.

With Kind regards,

Yours Sincerely

(SHIRISH KHARE)
